

Montgomery Hospice and Prince George's Hospice provides

Expert End-of-Life Care for Patients with Alzheimer's

Caring for patients with Alzheimer's can bring uncertainty regarding disease progression and when they may be eligible for hospice care.

Our staff's holistic approach honors our patients' wishes, maximizes their comfort, and supports their families and caregivers.

When is your loved one eligible?

Call us when you observe these signs and symptoms of end-stage Alzheimer's disease in your loved one:

- requires help with eating, dressing, bathing, toileting
- unable to sit up or hold their head up
- unable to control bowel and bladder movements
- trouble swallowing or eating
- unable to correctly use or understand words
- suffers from frequent infections of different kinds

Call 301-921-4400 and ask to speak with one of our nurses.
