## Eligibility Criteria for the MH Financial Assistance Program

Based upon Federal Poverty Guidelines, Gross Income Levels, 2023

Source: Federal Poverty Guidelines - 48 Contiguous States and D.C.

<u>Family Size</u>	<u>Family Income</u>	<u>138% Guideline</u>	<u>400% Guideline</u>
1		\$20,120	\$58,320
2		\$27,214	\$478,880
3		\$34,307	\$99,440
4		\$41,400	\$120,000
5		\$48,493	\$140,560
6		\$55,586	\$161,120
7		\$62,680	\$181,680
8		\$69,773	\$202,240

### 138% Test

Is Family Income greater than amount in 138% Guideline column?

**NO** Then patient qualifies for a full write-off of charges

**YES** Go to Sliding Scale Test

### Sliding Scale Discount

#### Calculation Process:

- If family income is at or below the 138% guideline, they will receive a full write-off of charges

- If family income exceeds the 138% guideline, but does not exceed the 400% guideline, a sliding scale will be used to determine the percent reduction that will apply.

#### Formula:

**Family Income** - **138% Guideline** = **Over Income Amount**

**1 - ( Income over 138% Amount / ( 400% Guideline - 138% Guideline) ) = Percent Reduction**

**Example 1:** A patient with a family size of 4, with income of \$21,458 would be eligible for a **full write-off of their bill.**

**Example 2:** A patient with a family size of 7 with actual income of \$90,000 would be eligible for a **85%** reduction.

**\$80,000 - \$62,680 = \$17,320**

**1 - (\$17,320 / (\$181,680 - \$62,680) ) = 85% Reduction**
